BS4 ARTS TRAIL

Welcome to Bristol's newest Arts Trail, showcasing the creative talents of over 70 artists, makers & craftspeople in Knowle, Brislington & St Anne's. Artists are opening their homes and studios for the weekend, or showing and selling work in one of our wonderful community spaces in St Anne's House, Holymead Hub, St Cuthbert's Church and Jubilee Pool.

This is a great opportunity to take a stroll through the area and discover local artists in their natural environments, from custom studios to kitchen tables! Buy direct from artists and see work outside of a gallery setting.

This brochure gives an overview of the trail and artists to help you plan your route. Artists are listed by venue, just find the corresponding venue numbers on the map in the centre of the booklet. You can also scan the QR code on the cover to find more information and our interactive map.

If you'd like to explore more of BS4, why not visit our wonderful food and drink venues, or wander through some of the many parks and nature reserves in this leafy corner of Bristol - it's easy to forget you're in the city!

Venues open 10am - 4pm

The Trail is free and open to all, but please note that some venues might only be accessible via steps or uneven surfaces. All community venues are accessible and have toilets.

With huge thanks to Eveleighs Estate Agents for sponsoring the Arts Trail maps and to The Langton Wellness Hub, Lost & Grounded, Niche Frames, and Windmill Hill Market for supporting us.
